### **PROCESSING FEE DISCLOSURE**

As a non-profit organization, we price our fees to match the cost to educate and train our players and credit card fees charged by our payment processor reduce our resources. For that reason, credit card processing fees will be added to each payment. **These rates are currently 2.9% + \$0.30**

All players are required to purchase Puma training and game day kits which consist of jerseys, shorts and socks, a warm up jacket and warm up pants, and a backpack. Uniforms are purchased every two years through our uniform fulfillment vendor Soccer.com. For all Eagleclaw players, May of 2025 is a uniform purchase year and it is mandatory for all players to purchase the entire required training and game day kit. There are also optional items to purchase if you wish.

### **TRAVEL**

Travel expenses are not included in the club membership fee. They vary from team to team and include the coach's travel expenses.

### **SIBLING DISCOUNT - \$100**

If a family registers two siblings, the second sibling receives a \$100 discount. If a family registers three siblings the second and third will receive a \$100 discount and so on.

### **PLEASE NOTE**

Our payment system will charge players that register in May for past payments up to the time of registration. For example, if someone registers in February, they will pay only the initial deposit, and their next installment would be due on Mar 1st. If someone registers in May, at the time of registration they would be charged \$650 (initial deposit) + the Mar, Apr and May installments. This way, everyone is on the same schedule and completes payments by Dec 1, 2025.
